PROVIDING TEST SCORES TO LHU

Students can now view exam scores and order official CLEP® transcripts online through [My Account](#). To view scores, students will need to log in to My Account and go to the **My CLEP Exam Scores** page.

Most scores will be available online the day after an exam; scores for the College Composition will be available two to three weeks after the exam.

To order official transcripts, students must log in to My Account, click on the **Request a Transcript** link, and then follow the instructions to submit the order. There is a \$20 fee for each transcript ordered. If students wish to send a transcript to more than one institution, they'll need to purchase each transcript separately.

Candidates ordering official transcripts for DANTEs-funded exams will still need to complete a [Military Transcript/Score Report Order Form](#) (.pdf/179 KB). Additionally, all test takers will continue to have the option of sending scores for free by selecting a score recipient institution when they register. [Visit our website for more information on online score viewing and transcript ordering.](#)
